Aan de achterkant van dit blad vind u een uitgebreide referentielijst.

Let goed op het bouwjaar van de auto. Tevens zijn er verschillende kleuren dashboards in sommige auto's aanwezig. Let op de kleur van de kit of deze overeenkomt.

Types in het groen aangeduid zijn leverbaar. Types in het rood aangeduid zijn nog in ontwikkeling.

On the back of this paper you will find an extensive referencelist.

Take into account the year of construction of the car. Also note that there are different colours of dashboards in some cars. Choose your kit which matches the colour of the dashboard.

Kits indicated in green are available. Kits indicated in red are under development.
